

# NOTICE

Thanks to all of you for a great season! As a reminder the area is closed to motorized vehicles and ski touring. Avalanche control terminates at season end and staff and equipment continue to work in the Controlled Recreation Area.

**Motorized vehicles including snowmobiles, all-terrain vehicles, cars and trucks are not permitted within the RED Mountain Resort Controlled Recreation Area without the permission of RED Mountain Resort.** The attached plan identifies the area closures. All service vehicles, utilities and cabin owners must check in at maintenance prior to on mountain access.

For further information please contact Don Thompson (250-362-5551) or Stephen Bouchier (250-362-7384).

*Thank you!*  
- RED MOUNTAIN RESORT
